

LAGONAVE LIVE!

LaGonave Alive! Newsletter

November 2014

News & Notes

1. The 5th Annual Hai Children Christmas will provide a meal and small toy and we are planning on **800 children** this year. A team from Hot Springs/Rapid City (SD) will be delivering the toys. Meal provided by Mitchell 1st UMC and other donations. Two bikes will be given away due to donor in North Dakota.
2. The Elderly Feeding Program continues due to an anonymous donation. We are hoping to connect to a meal packing program to extend the reach.
3. Sending a team in March 2015. Small medical team will provide mobile clinics in small villages, other team will work with orphanages, churches, and provide Bible School for children.
4. Scholarships were provided for 23 students this year from elementary through university level. This is a great way to make a difference in someone's life—giving the gift of an education.
5. We've been blessed to be able to make a small difference on the island of LaGonave in the areas of School Scholarships / Health Care / Women, Children, Elderly.

**Dr. William Hyppolite
begins his last year of
Medical School in
January, 2015**

**He will complete 6
rotations and then
return to Haiti for a
year of service.**

**This will be a very
expensive year. Thanks
to EVERYONE who
have moved this dream
closer to a reality.**

Thank You to those that have given to LaGonave Alive in 2014!
