WATERTOWN 1ST UMC

They had a very well organized day. Bruce preached on HAITI PARABLES, there were LaGonave Alive envelopes in the bulletin and great advertising. Their Missions Committee matched donations (up to certain level). Over \$3,700 was raised. Was a great event and hoping we can repeat that format in other places! Will be used for school scholarships, Dr. William, orphanage, and other ministries!

DR. WILLIAM

William Hyppolite will begin his final year of medical school in September. He will be visiting in the U.S. from Sept. 7-18 to thank sponsors. If you want a visit, let us know.

ELDERLY FEEDING PROGRAM

The food giveaway is going well. We are beginning conversations with a food-packing ministry so we can reach more elderly people.
