

LAGONAVE ALIVE!

LaGonave Alive! Newsletter

June 2015

*We're already thinking about getting kids back to school
And here's how you can help —*

- **Provide 2 pens, 2 pencils and 5 small notebooks to
2,000 students (\$1/child)**

Many students don't have these basic supplies or share with siblings

- **Provide uniforms for 100 children (\$15/uniform)**

There are public schools, but if they can't afford a uniform, they can't attend school

- **Provide scholarships for students to attend school**

PER YEAR: - \$75 for Elementary School
 - \$150 for Secondary Student
 - \$500 for Technical School/\$1,000 for University
 - OR ANY DONATION

- We have two students who lost their parents in the earthquake
One would like to attend Electrical School—\$500/year for 2 years
One to attend Secondary School—\$150 for 3 years for Secondary

Checks sent to:
